

FIFTEEN YEARS OF SERVICE
SANDI MCGARRY – April 2001
Administrative Receptionist – City Secretary's Office

EDUCATION, TRAINING AND LICENSES:

Sandi has lived in Euless since she was one-year old and graduated from Trinity High School. She began her college career at Tarrant County College in pursuit of a Major in Special Education and Elementary Education; she then went to cosmetology school in 1986 to explore new avenues and areas of interest.

EMPLOYMENT BACKGROUND & EXPERIENCE:

From 1995-1999, Sandi worked for Warrantech in Euless as a Customer Service Representative. While there, she held the following positions: Customer Service Supervisor and Replacement Manager. From 1999-2001, she co-owned an in-home day care.

AWARDS, RECOGNITION, & ASSOCIATIONS:

Sandi was selected Employee of the Month in February, 2002 and Volunteer of the Month in January, 2006. While employed with Euless, she met and married her husband who also works for the City. Sandi is proud of her three children, one of which she and Brian adopted together. Since she is generally the first contact to visitors and callers, Sandi presents a positive image of the City and also keeps abreast of important information so she can properly assist and direct them. When she's not at work, she enjoys spending time with her family, serving the City (*in fact, she and Mrs. Claus have a close-knit relationship; but, you will only see one of them at the Christmas parade*), volunteering with the PTA, keeping in touch with others on social media, and vacationing at South Padre Island.
