

CITY COUNCIL COMMUNICATION

May 24, 2016

SUBJECT: Hold Public Hearing for Specific Use Permit Case No. 16-07-SUP and Consider First and Final Reading of Ordinance No. 2114

SUBMITTED BY: Mike Collins, Director of Planning and Economic Development

REFERENCE NO: 16-07-SUP

ACTION REQUESTED:

Receive public input regarding the request for a Specific Use Permit on Euless Gardens, Block 3, Lot 1B at 316 N. Main Street for Automotive Services in the Community Business District (C-2) and approve Ordinance No. 2114.

ALTERNATIVES:

- Approve the request with modifications
- Table the request
- Deny the request

SUMMARY OF SUBJECT:

Applicant: Nedal Omar Darsalem representing Entire Auto Center.

Location/Zoning: 316 N. Main Street. The property is zoned Community Business District (C-2).

Project Summary: Mr. Darsalem is seeking a renewal for a Specific Use Permit (SUP) for Automotive Services at 316 N. Main Street. The original S.U.P. (15-05-SUP) was approved on May 26, 2015. The use of the building has been an auto-related use for many years including a service station, auto wrecking service, and auto repair.

The applicant will operate his business consistent with the typical automotive service related conditions that the City of Euless places as part of the issuance of the SUP. All activity will be internal to the building.

The owner of this property, Sal Alfieri, represents that the lease of the building for automotive services is short term. Due to the expected impacts of the Airport Freeway (Segment 2E) widening project and specifically the condition that will result from the 18-month closure of the Main Street bridge over the highway, there is a reluctance to make a significant investment in a major remodel of the property for a retail or restaurant type use.

Access to North Main Street will be impacted after the bridge is removed and before it is rebuilt. The Main Street bridge is tentatively scheduled to be brought out of service in June 2016. Staff believes that the date the construction activity will be substantially completed on the Airport Freeway (Segment 2E) and the Main Street bridge can be more accurately determined in 12 months. It is highly likely that the construction of new Main Street Bridge will be completed before the construction within the corridor is substantially complete. In that circumstance, N. Main will still continue to be impacted by the construction. Therefore, staff is recommending that the SUP be renewed for another year to June 2017. Mr. Alfieri's intent is that he will not lease the building out for automotive services when the highway construction is completed.

The Planning and Zoning Commission held a public hearing on May 3, 2016 and voted to recommend approval of the Specific Use Permit with the following conditions:

- a. Tied to the business owner, Nedal Omar Darsalem; and,
- b. Tied to the business name, NK Entire Auto Lube, Inc dba Entire Auto Center; and,
- c. All repair of vehicles, including but not limited to: tire repair, mechanical repair and maintenance operations will be conducted within the building. No work will be conducted exterior to the building; and,
- d. Outdoor storage of vehicles or merchandise is not permitted within view of the public right-of-way; and,
- e. All tires stored on site whether new or used, shall be stored in a manner that is screened from public view from the right-of-way and shall be stored under cover so as to not allow the collection of rainwater in the tires; and,
- f. The services allowed at this facility are as follows: Oil change; Air Filter Change; Coolant Flush; Transmission Flush; Tire Replacement; Light Mechanical including brakes, shocks, struts, spark plugs, Wheel Alignment; Air Conditioning Service. Auto Services not listed here are thereby prohibited; and,
- g. The term of this Specific Use Permit shall be granted for a period beginning at the date of adoption and to be renewed to June 2017 in order to determine an accurate date of the substantial completion of the Main Street bridge reconstruction and to gauge the further appropriateness of the use at the specific location; and,
- h. The Specific Use Permit may be revoked if one or more of the conditions imposed by this permit has not been met or has been violated.
