(approve) (protest) and/or (have the following comments)

This is the second notice we have received
regarding the change of zoning with one
day to respond. Our house backs up to the
lot in question. It is bordered by a Strip
shopping center, duplexes, single family homes,
and a small business. The lot is too small
for residential housing. The residents will be
backed up to our (Stony Creek) back yards and
change the entire atmosphere of our neighborhood.

Hopefully the trees along fence line
will be taken out and a exit/entry
into this "new" neighborhood will
not cause traffic issues on Main Street.

*We are willing to approve contingent
upon the trees along the property line
being removed and the wall that currently ends
at CUD⁶³³ lot 20R being extended*

*The trees regularly grow into the power lines
along the property line and cause multiple outages
each year.*
