### **SUMMARY OF SUBJECT:**

The 41<sup>st</sup> Year CDBG Project consists of the replacement of 1,477 feet of waterline along Ector Drive between Trojan Trail and Midway Drive. The project is a continuation of CDBG projects that will replace aging water and sewer lines and involves work in Euless street right-of-way. The construction funds available through Tarrant County for this project are \$243,393.50. The difference between the funds available and funds actually expended will be paid for by City of Euless funds.

On October 5, 2016, Tarrant County opened bids for this project and received one (1) bid. The bidder was Murphy Pipeline Contractors.
