

SUMMER / FALL

2008 EDITION

EULESS ★ Today

POLICE DEPARTMENT AWARDS ★ RECREATION CLASSES ★ SPECIAL EVENTS

Greetings from the Mayor

Welcome

Dear Citizens,

The good ole summertime is half way through and before we know it school will begin. In the meantime, please enjoy all the wonderful amenities Euless has to offer.

Our May elections returned Leon Hogg to our city council. Donna Micken was elected for her first term and we welcome Donna to our council. Please get to know Donna by reading the article inside this newsletter.

Congratulations to Mary Sanchez on her selection as the 911 Telecommunicator of the Year and to Debbie Torrez for her selection as the 911 International Trainer of the Year. Officer Tamara Barnes has been selected for the Silent Hero Award. These three members of the Euless staff are very special for the diligent work they do daily. And, read all about the Police Awards for the year. Congratulations to each and every honoree.

Have you seen all the improvements to our library? The new carpeting throughout the building, the new study rooms, new furniture and the new Genealogy/Historical room are all so beautiful. Our library continues to be a shining star in our city and throughout our community.

Besides all the new renovations, the library has had many interesting programs and the summer reading program has had more readers than ever. The Euless Library Foundation is busy taking orders for the new art piece for the library. Citizens can select a tile as their gift to the art piece and have your name inscribed and there are several sizes to choose from.

The new Dog Park opened in early May and is much appreciated by both the dogs and owners and much used! All parks have offered a variety of venues this summer and it's amazing to see how many citizens from other communities come to enjoy our parks. The flowers along the byways truly add to the beauty of our city. The Parks department does such a good job especially in this hot summer weather.

The Texas Star Conference Centre is being renovated and will be such a fine addition to the current facility. The construction is on time and hopefully will be completed in early 2009. Besides the addition there will be renovations throughout the entire facility. During the construction all facilities are open and busy. The Raven's Grill is a great place to eat especially for Sunday brunch. The golf course remains one of the best courses around the county. There are tournaments almost daily, but still room for other golfers to play. Check the web site for specials throughout the summer.

It's time again to nominate citizens for the Volunteers of the Year. We need nominees for Student Volunteer, Business Volunteer, Outstanding Volunteer and Lifetime Volunteer. Please see page 11 to submit your nomination.

Also, it is time to consider serving on the Boards and Commissions. There are several vacancies and many opportunities to serve. Applications are available in the City Secretary's office. Applicants will be interviewed by the City Council members before selections are made. New members will take office in January, but have the opportunity to learn more of their committee work before then.

The Citizen's Fire Academy and Citizen's Police Academy are accepting applications for the next session. Classes begin in August and meet every Thursday night for twelve weeks. Call now for your application as the classes fill up fast.

The City Council and city staff are busy preparing the budget for the next year. All budgets are discussed and voted upon at the City Council meetings. There will be public hearings and any citizen may come and ask questions and learn more about the budget process. This process takes place in September and must be finalized by the first of October. Please know that all Council meetings are open to the public and take place on the second and fourth Tuesdays of the month.

Thank you to all the wonderful VOLUNTEERS that have shared their time and talents for our summer activities. You are special and make Euless even more special! We continue to BUILD A BETTER TOMORROW TOGETHER.

Board and Commission Appointments

The City of Eules is currently accepting applications for volunteer positions on various Boards and Commissions to be appointed in October 2008. Time and frequency of meetings vary, depending upon the board or commission on which you serve.

The following Boards and Commissions will have openings: Civil Service Commission, HEB Teen Court Advisory Board, Historical Preservation Committee, Library Board, Parks and Leisure Services Board, Planning & Zoning Commission, and Zoning Board of Adjustment.

Applications and additional information on these boards are on the website www.eules.org/cso. You may also contact the City Secretary's Office for an application at (817) 685-1434. Applications must be completed and returned to the City Secretary's Office by Friday, September 12, 2008.

Register Your Pets for Free

A new ordinance in Eules now requests owners to register their dogs and cats residing within the City of Eules. Registering your pet will allow Eules Animal Services to quickly locate you and ensure that your pet is safely returned to you.

Voluntary participation in the dog and cat registration will be at no cost to the citizens. If an unregistered dog or cat is picked up by Animal Control a registration fee of \$10 will be assessed before the dog or cat is released from the Animal Shelter.

When you register your pet, your pet's description, veterinarian contact information and owner information is kept in a database. You do not have to bring the pet to the Animal Shelter in order to register it, however, please provide a copy of a current rabies vaccination for the pet. You will receive an ID Tag for your pet with your pet's personal identification number.

No one ever expects that their pet might get lost, but no matter how cautious you are or how well-trained your pet is, it can happen. Ensure your pet's safety and register it with the Eules Animal Shelter today!

Gas Prices Affect Pocketbooks Everywhere

Rising gas prices are affecting pocketbooks everywhere. Many years ago, Euless began looking at ways to maximize our efficiency with our fleet. The City of Euless fleet currently operates 20 vehicles on Liquefied Petroleum Gas (LPG), also known as propane, as an alternative fuel source. These vehicles range from heavy trucks to small pickups. These units can alternate between gasoline and propane and are driven on propane in daily usage 50% of the time. This fuel alternative results in kinder emissions to the environment. Euless has also implemented policies that city vehicles will be a Low Emissions Vehicle, Ultra Low Emissions Vehicle or a Zero Emissions Vehicle type. Approximately 95% of the fleet meets this mandate. Last year, Euless received a \$135,000 Clean Fleet Vehicle Project grant to replace older vehicles that do not burn fuel as cleanly as some newer models. Ten cars and pickups were purchased that will help us achieve our goal of a clean fleet. One of these cars was a hybrid to test this practical vehicle for effectiveness. It passed with flying colors.

A look to the near future includes possibly moving to neighborhood electric vehicles that are battery operated. These vehicles must remain on roads with a speed limit of 35 mph or less. This is ideal for local neighborhood inspections. We will also increase the number of LPG powered vehicles and hybrids while downsizing many of the larger pickups depending on the end user.

With the ever increasing population and influx of cars, highways and flights from DFW Airport, the challenge to keep Euless green is increasing daily. The City of Euless is meeting that challenge through innovative programs, policies and procedures that not only save valuable tax dollars, they make Euless a more sustainable place to work and live.

New Councilmember Donna Mickan

Donna Mickan is a retired educator from Trinity High School. She formerly served on the city's Economic Development Advisory Board and the Euless Historical Preservation Committee. She is a frequent docent at historic Heritage Park and serves as a Stephen Minister as well as on the Administrative Board of First United Methodist Church of Hurst where she sings in the chancel choir. She has served as her neighborhood association's president, on the board and is currently a standing committee chair for beautification.

Donna and her husband Randell moved to Euless in 1964. Donna was co-owner and operator of Bloomtown Florist when it opened in Euless Town Center in 1981. She and Randell have been married 47 years and have two children. Their daughter Marianne Priddy and husband Michael have two children, Mitchell and Michelle. Their son Randy and wife Kelly also have two children, Erin and Samantha. Their grandchildren range in age, so there are always many varied activities to enjoy. Donna loves to travel, play the piano and sing in the church choir. She is delighted to have the opportunity to serve the city she loves.

Community News

Educate Yourself About Gas Leases in North Texas

With the influx of gas leasing occurring in our neighborhoods, the need for more information about the leasing process and neighborhood negotiations is great. The City of Euless coordinated a Euless Gas Lease Forum in April to give residents an opportunity to ask questions and get responses directly from the source.

If you were unable to attend, this forum was recorded as a resource for residents. You may still view this forum through streaming video on the Euless website or on the Euless Cable Channel 16 at 10 a.m. and 7 p.m. daily. Presenters Ed Ireland, executive director of the Barnett Shale Energy Education Council and Robert West, partner in the law office of Whitaker, Chalk, Swindle and Sawyer, LLP gave an overview of the drilling process, the benefits it provides to our community, tips for neighborhoods negotiating leases and important clauses to look for in the lease.

Many Euless neighborhoods have formed coalitions to increase their negotiating power. If you would like to learn more about groups in your immediate area, we have created an interactive map that will connect you directly with your coalition if one exists.

For more information please call 817-685-1623 or visit www.euless.org.

You may also pick up a copy at the Euless Water Department located at 201 N. Ector Dr.

Euless Revitalization (ER) Program

We are pleased to tell you about the great partnership we have forged with First Baptist Church Euless, Restoration Church, and Life Connection Church in Euless. This program is based on the premise of neighbors helping neighbors. It provides a much needed helping hand in repair and updating for a number of homes in Euless for residents that are in need of assistance. In the true spirit of community, church congregations have mobilized to help the families in these homes, and the response has been astonishing. This inspiring program is already making a positive impact in Euless and will only continue to grow. We thank all of these partners for their time, effort and commitment to Euless! For more information on this program, visit www.euless.org/ER or call 817-685-1821.

Departmental Open Houses

The Eules Police and Fire Departments will both host Open Houses from 10 a.m. - 2 p.m. on Saturday, October 4. The Police Open House will be held at 1102 W. Eules Blvd. and the Fire Open House will be held at Fire Station #3, 202 S. Main St. Both events will have activities for children, tours of the facilities and members of the Citizen's Emergency Response Team, Citizen's Fire Academy, Citizen's Police Academy and Citizens on Patrol. In addition, representatives from each department will be available to answer questions and discuss their important role in the community. These events are free and everyone is invited!

Check Your Smoke Detectors

The Eules Fire Department reminds you to change the batteries in your smoke detectors, carbon monoxide (CO) detectors and hazard warning radios when you change your clocks for Daylight Saving Time.

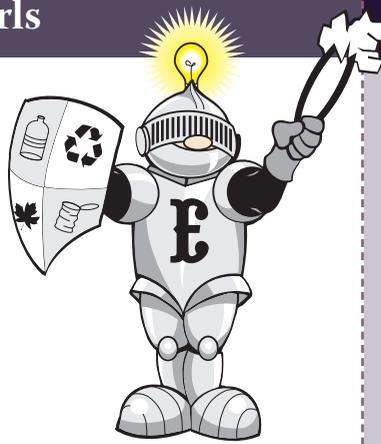

This simple step greatly increases a family's chances of escaping safely in the event of a house fire or a gas leak. A working smoke detector doubles the chance of surviving a fire. It's critical to test your smoke detectors regularly and to replace the batteries in battery-operated units at least once every six months, as well as in battery-operated carbon monoxide detectors. Safety experts also recommend replacing any smoke detector that is more than 10 years old. For more information, call the Eules Fire Department at 817-685-1600.

In March the Eules Fire Department responded to a single family house fire in Eules. Investigators determined that the home did not have any working smoke detectors, the first line of defense in a fire.

Eules Fire Crews will be canvassing the surrounding neighborhoods to test smoke detectors and provide installation of a detector or batteries if needed. If you receive a knock at the door from a Eules Firefighter, please let them help. For more information, call the Eules Fire Department at 817-685-1600.

Parks & Community Services

Where is Heritage Park?

How long have you lived in Euless? How much do you know about the City you live in? Did you know that the Fuller House was the first brick house in Euless? Or that the McCormick Barn is made out of lumber hauled by horse and buggy from Camp Bowie in Fort Worth? Have you visited the circa 157 year old Himes Log House? The Log House was found inside one of the homes located northeast of Euless Junior High on Himes Street. These three buildings were dismantled brick by brick, log by log and lumber by lumber, moved and restored to their original condition at beautiful Heritage Park at 203 Cullum Drive, east of Euless Main and Hwy 10.

Free tours are provided by the Historical Preservation Committee every second Saturday of the month between 1 - 5 p.m. Call 817-685-1649 or email ofaiva-siale@ci.euless.tx.us for information on tours, volunteer opportunities, donations, etc.
