## *Christmas Treecycling Event*

*January 7, 10 a.m. - noon*

*Midway Park, 300 W. Midway Dr.*

Stay green after the Holidays and "treecycle" your live Christmas tree. The trees will be chipped and turned into mulch that is used throughout the year in Eules parks and medians. It smells FabEules and repurposes an item that would otherwise be sent to the landfill. So instead of placing your tree at the curb, please bring it to the drop off site at Midway Park between Dec. 26 and Jan. 7. Please join us for a mulching demonstration on Jan. 7. You may fill a bag with mulch for use in your own garden. In addition, free hot dogs and drinks are available for participants. Please call 817-685-1650 for details.

### *Treecycling Tips:*

- Bring live trees only that are not flocked
- Remove all ornaments and lights
- Remove plastic bags before dropping off
- B.Y.O.Bag to the event to take mulch home
- Come hungry to the Treecycling event
