

# EULESS

## T O D A Y

Dear Citizens,  
The Greater Fort Worth Builders Association has presented Euleess with the Community Spotlight Award for our partnership with the CPR Program. This award recognizes a community that has created winning solutions to local challenges. Congratulations to all of the Volunteers that helped us receive this award. You deserve all of the credit!

We have another "new" member on the Euleess team. Sherry Knight is our new Library Administrator. Sherry has been around many years and knows the Library inside and out. She will be a great addition to that wonderful facility.

Please help prevent the source of mosquitos in your yard and avoid possible infection of West Nile virus. Survey your yards for standing water and dump it out. Mosquitos breed in even the smallest amount of water. This includes the base of potted plants, bird baths and pet water dishes.

Meanwhile, do enjoy all our great facilities such the library, parks, recreation and the water park.

Together We Are Building a Better Tomorrow for our City.

## COMMUNITY NEWS 817-685-1400 www.eulesstx.gov

### Tarrant Regional Water District: Stage 1 Water Restrictions

Due to persistent drought conditions and in spite of recent precipitation, water reservoir capacity has been reduced to 75%. In coherence of the Drought Contingency Plan, the Tarrant Regional Water District (TRWD) has implemented Stage 1 water restrictions. The goal of these restrictions is to reduce outdoor watering, which can account for 50% of residential water used during the summer months. Watering by hand, soaker hoses and drip irrigation is allowed at any time on any day of the week. The time of day restriction, which prohibits watering between the hours of 10 a.m. and 6 p.m., will continue to remain in effect. TRWD's Water Conservation and Drought Contingency Plan can be viewed at [www.savetarrantwater.com](http://www.savetarrantwater.com). For alerts about Euleess, please visit [www.eulesstx.gov/myeuleess](http://www.eulesstx.gov/myeuleess).

### Upcoming Budget Worksessions & Public Hearings

*(All meetings will be held at City Hall unless otherwise shown)*

August 1	5:30 p.m.	Council Budget Work Session
August 3	7:30 a.m.	Council Budget Work Session, Texas Star Conference Centre
August 12	5:30 p.m.	EDC Budget Public Hearing
August 13	7:00 p.m.	CCPD Budget Public Hearing
August 27	7:00 p.m.	City Budget Public Hearing
		Tax Rate Public Hearing, if required
Sept. 3	7:00 p.m.	Tax Rate Public Hearing, if required

*Euleess Today is published by the City of Euleess.*

## *Library Administrator Named*

The City of Euless is pleased to announce that Sherry Knight will serve as the new Library Administrator. She is responsible for organizing, coordinating, and supervising the operations of the library and developing and coordinating new programs and services.

Ms. Knight brings over 24 years of library experience in public and private sectors to this position, 17 of those years in Euless. She has worked in Euless in various positions ranging from technical services to reference services to children's services. She also served for several years as the Assistant Library Administrator. Prior to working in Euless, Ms. Knight worked for the UTA Library, Northwood University Library and the City of Fort Worth Public Library.

She has a B.A. in English from The University of Texas in Arlington and a Master's in Library Science from The University of North Texas. Ms. Knight, is married to Kevin Carrothers, who is also a librarian. They have 7 year old twins that keep them very busy.

## *Take Control and Stop West Nile Virus*

*Dump Standing Water | Wear  
Repellent | Dress for Dusk and Dawn*

Experts believe West Nile Virus is the seasonal epidemic of the summer months, just like influenza is to winter. West Nile can be transmitted year-round whenever mosquitoes are biting, which is why it is best to protect yourself all year.

Everyone is at risk of being affected by West Nile virus. There is no vaccine.

Mosquitoes must have standing water in which to begin their life cycle. Almost any container or area of standing water presents a potential "mosquito nursery" in which eggs can be laid. The easiest way to eliminate mosquitoes is to remove any standing water from your yard and community. It's as simple as that!

Get rid of mosquito breeding sites by emptying standing water from flowerpots, buckets and other things that hold water. Change the water in pet dishes, and replace the water in birdbaths weekly. Drill holes in tire swings so water drains out. Keep children's wading pools empty and on their sides when they aren't being used.

Take responsibility for your health. Check out West Nile virus information at [www.tarrantcounty.com](http://www.tarrantcounty.com) for prevention tips and facts about West Nile virus.

## *Mosquito Spraying*

The City of Euless provides periodic spraying and mosquito monitoring with mosquito surveillance traps. The spraying is actually a periodic puff of mist containing mosquito adulticide. The mist is hardly visible to the naked eye and has no detectable odor. Spraying will be performed in the late evening while most of the residents are indoors.

The City of Euless proactively tries to reduce the number of mosquitos by placing larvacide pellets along with gambusia minnows in ponds, creeks, lakes, and drainage easements. Gambusia fish are tough fish that help fight mosquito infestation due to their ability to consume over 100 mosquito larvae a day, tolerate hot weather, still water, and even common pollutants.

Mosquito spraying and larvacide pellets will not eliminate mosquitoes completely. We ask that residents help us take action against mosquito infestation. The most effective way to reduce mosquitoes in your neighborhood is to remove their breeding source — standing water. Thousands of mosquitoes can hatch from a puddle of water that is stagnant for at least four days. If you have any questions or concerns regarding West Nile virus, please call Public Works, at 817-685-1580.

## Citizen's Fire Academy

*Class takes place at 7:00 p.m.  
on Thursdays beginning August 8*

The Citizen Fire Academy is a class dedicated to increase public awareness of the operations of the Eules Fire Department and creating a safer environment at home and the work place. The class members will accomplish this through demonstrations and participation. We believe that an informed citizen helps keep our community safe.

*The Fire Academy will cover such topics as:*

- History of the Eules Fire Department
- EMS
- Self-Contained Breathing Apparatus
- Search and Rescue
- Extrication
- Live Fire Training
- Bomb Recognition/Bomb Dog Demonstration
- Air Evac Services
- CPR
- Hazardous Materials

If you are interested in signing up, please fill out and return the CFA Application found at [www.eulesstx.gov/cfa](http://www.eulesstx.gov/cfa) or by calling 817-685-1600.

## Collegiate Players Tee-Off for 2013 National Championship

*August 6 - 8*

As college students are beginning to think about the start of school, there is one group of college golf athletes who only have the National Championship on their mind. The City of Eules and Texas Star Golf Course are proud to host the Collegiate Players Tour (CPT) National Championship for the twelfth year.

If you would like to be a part of this event, volunteers are needed for spotters and shuttles on the course during the event. Call the Golf Shop to sign up at 817-685-7888.

"These college players are so full of energy and enthusiasm, which quickly spreads throughout Texas Star during this tournament," said Dan Walden, Texas Star Head Golf Professional. "We truly enjoy hosting this event each year and watching these future golf professionals play their heart out on our golf course."

## Special Green Fees for Eules Residents

*August 11 (after 11 a.m.)*

*August 19 (after 11 a.m.)*

**\$25 green fee**

Don't pass this up! This is a great opportunity to play Texas Star Golf Course at an unheard of discount. This special green fee for Eules residents only with proof of residency. Tee times may be made up to five days in advance.

## August Special Events

Senior Center special events are for Eules Family Life Senior Center members.  
You must be over the age of 60 to become a member.

<b>August 2</b>	Studio Movie Grill <i>Lunch not included in price</i>	\$7.50	10 a.m.
