CPR Blitz Volunteers Needed

April 4 - 5, 8 a.m.

6 Stones Campus, 209 N. Industrial in Bedford

Last fall, hundreds of volunteers helped repair homes in one weekend, and now we are inviting you to help us do it again! Please join our growing CPR family of volunteers and sponsors as we attempt to help more struggling families make needed repairs to their homes. Please register online and fill out a volunteer waiver ahead of time to bring with you to registration. You will be assigned a home after you check in. Lunch will be provided at each of the homes. Please bring gloves, ladders, rakes, shovels and push brooms if you have them. Thank you again for your commitment to CPR! We're changing lives, one house at a time. To sign up as a volunteer visit www.6stones.org/cprvolunteer.

Dear Citizens,

Spring is here and more importantly, Spring Break is here! There are so many terrific activities scheduled during the entire month of March. You can volunteer for a local non-profit, kick back in our beautiful park for a concert, learn how to get a book published or even pick up some golf tips. In addition, there are a variety of classes to choose from at the EuleSS Family Life Center. And don't forget the many events at the Library for all ages.

The Library will serve as one of several polling places in EuleSS for the Primary Election. If you don't know where to vote, call the Tarrant County elections Office at 817-831-8683.

Our city provides so many special activities and events for our citizens of all ages. Read all about them and then participate and join our volunteers for fun and fellowship.

Together we continue to Build a Better Tomorrow for our citizens.

Are you looking for a new hobby? Curious about amateur radio or already licensed to operate? Come and join us at Amateur Radio Eules (ARE). Operators around the country have provided emergency communications in disaster situations. Amateur Radio Eules has participated in numerous local events such as Arbor Daze where members have assisted in locating lost children or filling other communication needs. Amateur Radio Eules meets at 7 p.m. on the second Wednesday of the month at the Eules Police Department. Please visit www.w5eul.com for more information or call 817-685-3144.

Check your Smoke Detectors

Most people will trade an hour's sleep on March 9 to "spring forward" for more sunlight in the evenings. The Eules Fire Department reminds you to change the batteries in your smoke detectors, carbon monoxide (CO) detectors and hazard warning radios when you change your clocks for Daylight Saving Time. This simple step greatly increases a family's chances of escaping safely in the event of a house fire or a gas leak. A working smoke detector doubles the chance of surviving a fire. It's critical to test your smoke detectors regularly and to replace the batteries in battery-operated units at least once every six months, as well as in battery-operated carbon monoxide detectors. Safety experts also recommend replacing any smoke detector that is more than 10 years old. For more information, call the Eules Fire Department at 817-685-1600.
