

EULESS TODAY

Did you know...
ELF (Eules Library Foundation) has a new website? www.euleslibraryfoundation.org

Dear Citizens,

When we moved to Eules, one of the first volunteer opportunities I took advantage in

was the Eules Citizen's Police and Fire Academies. Don and I are both still very active in the alumni groups and constantly hear positive feedback from friends and neighbors that have participated in these classes. If you've ever wanted to go behind the scenes and see how these departments work, I encourage you to sign up!

Our very own South Eules Elementary 4th graders have been studying Texas History and were given a private tour of the Eules Heritage museum. They have each drawn something memorable about Eules' early history. All of the drawings will be on display at the museum on Feb. 13. Between that and our special appearance by Mike and Leland Brown, you can't miss Heritage Park Museum Open House!

Midtown Express

You may have noticed signs of construction along Highway 183. This huge project is called the Midtown Express Project and spans 28 miles, 5 cities and 2 counties and is due to begin construction in Eules starting in March of this year. The project will reconstruct portions of frontage roads, portions of general purpose lanes and construct one TExpress (toll managed) lane in each direction. While there are always challenges with any construction project, the contractors, SouthGate Constructors, are doing everything they can to keep you informed and traffic running as smooth as possible. For example, while there may be some ramp closures, there should never be two consecutive closures.

There are a variety of ways you can stay updated on any traffic issues:

Make your reservations soon for a very special Valentine's Day dinner by Raven's Grille. Call 817-685-1847 to secure your spot. We will also have a Brunch Special on Sunday, February 14.

Museum Presents Performance with Mike Brown in February

Saturday, February 13, 1-5 p.m.
Euless Heritage Museum, 201 Cullum Dr.

For lovers of country music, local performer Mike Brown, along with son Leland Brown, will perform at 2 p.m. at the Euless Heritage Museum. During the special appearance, Brown will perform a string of hits, including "Just a Little," "Dad's Bible" and "Rough Edges." After the show, the singer will be available to spin yarns with museum visitors. The museum is open for public tours from 1-5 p.m. on the second Saturday of each month.

Citizen's Police Academy

Begins February 18

The mission of the Euless Citizen's Police Academy (CPA) is to provide the citizens of Euless a better understanding of the dedication and integrity of the Police Department. The CPA will not train you to become a Police Officer, but it will give you valuable insight into the philosophy, strategies, and training that shape your Police Department. There is no cost to the student to participate, and all instructional materials are provided. The Academy is a twelve-week course covering Community Policing, Polygraph Examination, Identity Theft and Crime Scene investigation techniques. The minimum age for enrollment is 18 and you must live or work in the City of Euless to be eligible to attend. For additional information, or to sign up for the classes, please visit www.eulesstx.gov/police/cpa.htm or call 817-685-1563. The CPA is a great way to get to know the Police Officers who patrol your neighborhood, and to see your community from their perspective.

Citizen's Fire Academy

Begins February 11

The Euless Fire Department is hosting its next Citizen's Fire Academy which consists of hands on educational experience in all aspects of the Euless Fire Department, including protective equipment, hose handling, fire extinguisher use, fire investigations and emergency medical services to name a few. The class is designed to provide you with a better understanding of what firefighters do and to allow you to get to know your Euless Fire Department. The free classes will occur Thursday evenings from February 11 to May 5. Upon completion of the class, participants are encouraged to join the Euless Citizens Fire Academy Alumni Association, an active group of graduates that assist the fire department in various support functions including the operation of the fire scene rehab unit. You must be at least 18 years of age and live or work in Euless to be eligible to attend. For additional information, or to sign up for the classes, please visit www.eulesstx.gov/fire/cfa.htm or contact Ken Rawlinson at 817-685-1600.

Water Meter Replacement

In February, the City of Euless will begin a water meter replacement program designed to update existing water meters city wide. You will not need to be home at the time your meter is replaced and your water service will only be interrupted briefly. The project is being funded through a low interest loan from the Texas Water Development Board as part of its Drinking Water State Revolving Fund.

Replacement process

In February, the City's contractor, AquaMetric will begin replacing existing water meters throughout the city. A few days prior to your meter being replaced, you'll be notified of the date the meter will be replaced. The notification will include contact information for the contractor and the City as well as related instructions should your individual situation require any special arrangements.

Water Meter Access - The installation technicians, who will be wearing badges and vests, must have access to your water meter box to complete the meter exchange. Typically, water meters are located in the front yard of residential properties, near the curb. Technicians will not enter your home.

Water Meter Exchange - on the scheduled day, your water will be temporarily shut off for approximately 30 minutes to 1 hour while the new water meter is installed. Typically, all work is done within the existing water meter box, all necessary repairs are completed and each meter box is returned to its pre-existing condition.

After meter change out - If you encounter any issues, City representatives are available Monday through Friday by calling 817-685-1471, and for after business hours emergencies at 817-685-1526.

Library Fun

There's always something going on at the Mary Lib Saleh Eules Public Library! We have several adult programs running through March that you may be interested in attending.

- Geek's Night Out - 2nd Tuesday night at 7 p.m.
- Adult Coloring - 1st Wednesday at 2 p.m.
- DIY Beauty - 2nd Wednesday at 2 p.m.
- Classic Movies - 2nd Friday at 2 p.m.

Tree Tips from the Eules Parks Department February

Planting

- Continue to plant evergreen shrubs, fruit, nut and shade trees.

Pruning

- Complete pruning of oak trees before February 15 to minimize chance of oak wilt infestation. Note: Do not prune live oaks or red oaks from February 15 to June 30. If you must prune then, always 'paint' the cut end with tree wound paint; being very careful not to paint over the collar of the cut.
- Prune other shade trees and woody shrubs as necessary to remove dead wood and improve structure.
- Finish pruning pecan trees and fruit trees before spring bud break.
