Did you know...?

You can buy monogrammed bricks that will be permanently displayed at the W. M. Sustaane Law Enforcement Center? [www.ecpaaa.org](http://www.ecpaaa.org)

Dear Citizens,

March is a great month full of exciting events. The fun starts on March 2 with Seuss Much

Fun, a party at the library celebrating Dr. Seuss' birthday. This is followed by my Spring Break Fitness Fair on March 12, which includes fun fitness and nutrition activities. If you are looking for other diversions to occupy your children during spring break, check out the Spring Break STEAM Camp that includes fun activities focused on Science, Technology, Engineering, Art and Math. Or, for only \$75 your child can attend the three-day Texas Star Junior Golf Clinic.

This month is also ideal for getting organized and doing your spring cleaning. To help you, we are hosting Crud Day on March 24 and AARP Tax-Aide volunteers will be on hand at the Senior Center for resident's of all ages to assist with your income tax preparation this month. Read the details about these events and others in this newsletter.

## *Childcare at the EFLC*

If your New Year's resolution is to hit the gym, but your kids are keeping you from getting out the door, look no further than the Eules Family Life Center (EFLC)! The EFLC currently has drop-in childcare, so you can bring your little one along!

"Childcare is probably the number one reason why a lot of people can come to the center," according to Recreation Specialist Sonja Howard.

"A lot of parents, especially young parents, might feel held back because now they have a child and they have to work around their schedule. A place that provides childcare like the EFLC gives them more of an opportunity and the freedom to continue to take care of themselves," says Sonja.

Childcare attendants will keep your child occupied with toys, arts and crafts, and a playground, while you work out. Angie Gillis, a frequent visitor of the EFLC, loves to bring her son.

"It isn't just a place where the T.V. is turned on all the time and the kids are glued to it. There's actual interaction and activities, and the kids like it. It's a safe place," says Angie.

Hours of operation for childcare are Monday, Wednesday, and Friday mornings from 8am-11am, and Monday-Friday evenings from 5pm-8pm. Children must be between ages 18 months to 7 years old. Cost for childcare is \$5 per child for 2 hours, and is included in gold level memberships.

While your kids are busy, you can take advantage of all the amenities and options the EFLC has to offer!

## *Rain/Freeze Sensor Installation DIY*

*Sponsored by Professional Turf  
Products in Eules*

*March 22, 7 p.m. - 8:30 p.m.*

*Eules City Hall, 201 N. Ector Dr.*

We've all seen it happen. It may have even happened to you a time or two. Your neighbors are watering their lawn in the rain with their automatic sprinkler system. Don't let it happen to you! Rain and freeze sensors automatically shut off your sprinkler system under rainy or freezing conditions and are becoming "must have" components for irrigation systems. Learn how to install your very own rain/freeze sensor along with some other helpful tips in this educational presentation given by Professional Turf Products in Eules.

At the end of the presentation, 20 lucky participants will go home with a free Irritrol Wireless Rain/Freeze sensor (a \$134 retail value). The event is free, but you must register to attend. Please register online at [www.eulesstx.gov](http://www.eulesstx.gov) or call 817-685-1821 for more information.

## *Crud Day*

*Saturday, March 24, 9 - 11 a.m.*
