Assistant City Manager
City of Euless
210 North Ector Drive
Euless, Texas 76039-3595

Re: Reclaimed Waterline Extension Phase II, Bid # 009-15
Recommendation of Construction Contract Award

Dear Mr. Barker:

On November 18, 2015, four bids from general contractor were received, opened and publically read at the City of Euless' Mayor Conference Room in Euless, Texas for the above-referenced project. The bids are as follows:

	Contractor	Total Bid
1	William J Schultz, Inc. dba Circle C Construction Company	\$1,785,750.00
2	Wilson Contractor Services, LLC	\$1,965,045.00
3	Mountain Cascade of Texas, LLC	\$2,252,600.00
4	Atkins Bros. Equipment Co., Inc.	\$3,087,500.00

After reading the bids and ranking them, it was determined that William J Schultz, Inc. dba Circle C Construction Company. is the lowest bidder. Our firm has worked with William J Schultz, Inc. dba Circle C Construction Company in the past on several projects designed by Alan Plummer Associates, and this contractor performed well. The projects included a gravity sanitary sewer interceptor for the Trinity River Authority and a low pressure sanitary sewer system for the City of Fort Worth.

Therefore, based on the above information, it is recommended that the City of Euless award the contract to the low bidder, William J Schultz, Inc. dba Circle C Construction Company. If you have any further questions, please do not hesitate to let me know.

Sincerely,

ALAN PLUMMER ASSOCIATES, INC.

George I. Farah, P.E.
