

THIRTY YEARS OF SERVICE
ANNIECE MCKANNA – MAY 1986
HR Generalist I – Human Resources

Education, Training & Licenses:

Anniece is proud to have grown up in Euless and graduated from Trinity High School. She earned a BA Degree in Business Education from Texas Woman's University and holds a valid Texas Teacher's Certification (secondary level). She concurrently received a two-year Secretarial Certificate from TWU, as well. After graduation, she returned to TWU for Special Education Certification.

Employment Background & Experience:

Before joining the City of Euless, Anniece worked full-time for five years at Irving ISD as a Secondary Teacher (*teaching business, math, and science subjects to pregnant students in the district*). She also taught credit and non-credit business courses at the TCC-NE campus and has five years of substitute teaching experience in HEB-ISD, Arlington ISD, and Irving ISD. While in college, Anniece worked at J.C. Penney in Irving. She joined City of Euless staff as a Secretary in June 1984 in the Planning/Engineering Department and transferred to HR in February 1985. After a leave of absence from August 1988-July 1990, Anniece returned to the HR office and has bridged her service.

Awards, Recognition, Associations, & Personal Data:

She was honored to be selected as the City of Euless 1997 Employee of the Year and the May 1996 Employee of the Month. She is a Life Member of the TWU Alumni Association (member of the local Fort Worth Area Chapter and has served as their Chapter Secretary for the past 3 years). Anniece is also a Moslah Temple "Widow of a Noble". She and her parents moved to the small town of Euless in April 1958 and later Anniece married and raised two daughters here. She is a life-long member of First Baptist Church of Euless and is active in her Ladies Bible class. She is a former PTA member at Trinity High, Central Junior High, and Wilshire Elementary. She is also a member of the Alumni Associations of the Euless Citizens Fire Academy and Euless Citizens Police Academy.
