

EMPLOYEE OF THE MONTH
RODDY WILLIAMS – JUNE 2016
Leadman – Public Works

Education, Training & Licenses:

Rod graduated from Lancaster High School in Lancaster, Texas. He holds the following licenses and certifications: Backflow Prevention Assembly (BPAP) Tester, Customer Service Inspector, Class C Ground Water Treatment Operator, Class C Water Distribution Operator, and Wastewater Collection Operator.

Employment Background & Experience:

From 1993-95, Rod worked as a Maintenance Technician for the City of Lancaster and worked with Shred-All from 1995-97. He was then employed by American Freight Ways from 1997-2002; in 2002, he joined the City of Arlington as a Crew Leader. After five years with Arlington, he hired with Wilton Fabrications and remained there for two years. Immediately prior to employment with the City of Euless, Roddy worked with Empire Today home sales for one year. While at the City of Euless, he promoted to Field Tech II in 2012 and to his current position in June 2015.

Awards, Recognition, Associations, & Personal Data:

Rod is a member of the American Water Works Association and enjoys camping with his family, bicycling, hunting and fishing.
