

**CITY OF EULESS  
PLANNING AND ZONING COMMISSION  
MAY 3, 2016  
MINUTES**

**ITEM 6. HELD PUBLIC HEARING FOR SPECIFIC USE PERMIT CASE NO. 16-07-SUP AND CONSIDERED A RECOMMENDATION FOR AN ORDINANCE**

Chairman McNeese opened the public hearing at 6:58 p.m.

Senior Planner Cook gave a brief description of the case. Mr. Darsalem is seeking a renewal for a Specific Use Permit for an Automotive Services at 316 N. Main Street. The use of the building has been an auto-related use for many years including a service station, auto wrecking service, and auto repair. Mr. Darsalem owns another auto service center in Irving and is seeking to expand his business to a second location.

He has leased the building.

The applicant will operate his business consistent with the typical automotive service related conditions that the City of Euless places as part of the issuance of the Specific Use Permit (SUP). All activity will be internal to the building.

The owner of this property, Sal Alfieri, represents that the lease of the building for automotive services is short term. Due to the expected impacts of the Airport Freeway (Segment 2E) widening project and specifically the condition that will result from the 18-month closure of the Main Street bridge over the highway, there is a reluctance to make a significant investment in a major remodel of the property for a retail or restaurant type use. Access to North Main Street will be impacted after the bridge is removed and before it is rebuilt. The Main Street bridge is tentatively scheduled to be brought out of service in June 2016. Staff believes that the date the construction activity will be substantially completed on the Main Street bridge can be more accurately determined in 12 months. Therefore, staff is recommending that the SUP be renewed for another year to June 2017. Mr. Alfieri's intent is that he will not lease the building out for automotive services when the highway construction is completed.

Staff recommends approval with the following conditions:

- a. Tied to the business owner, Nedal Omar Darsalem; and,
- b. Tied to the business name, NK Entire Auto Lube, Inc dba Entire Auto Center; and,
- c. All repair of vehicles, including but not limited to: tire repair, mechanical repair and maintenance operations will be conducted within the building. No work will be conducted exterior to the building; and,
- d. Outdoor storage of vehicles or merchandise is not permitted within view of the public right-of-way; and,

- e. All tires stored on site whether new or used, shall be stored in a manner that is screened from public view from the right-of-way and shall be stored under cover so as to not allow the collection of rainwater in the tires; and,
- f. The services allowed at this facility are as follows: Oil change; Air Filter Change; Coolant Flush; Transmission Flush; Tire Replacement; Light Mechanical including brakes, shocks, struts, spark plugs, Wheel Alignment; Air Conditioning Service. Auto Services not listed here are thereby prohibited; and,
- g. The term of this Specific Use Permit shall be granted for a period beginning at the date of adoption and to be renewed to June 2017 in order to determine an accurate date of the substantial completion of the Main Street bridge reconstruction and to gauge the further appropriateness of the use at the specific location; and,
- h. The Specific Use Permit may be revoked if one or more of the conditions imposed by this permit has not been met or has been violated.

Sabino Arizpe, 316 N. Main Street, Euless, Texas, gave an overview of their success at the current location.

Chairman McNeese thanked Mr. Arizpe on meeting all conditions.

Chairman McNeese asked to hear from any proponents/opponents wishing to speak.

Seeing none Chairman McNeese closed the public hearing at 7:00 p.m.

Commissioner Dunckel complimented Mr. Arizpe on the aesthetic improvements of the property and wished him continued success.

Commissioner Ellis seconded Commissioner Dunckel's comments.

There were no further questions or comments presented by the Commission.

Mr. Collins reminded the commission that the property owner's vision differs from that of the current use that this Specific Use Permit grants. The renewal date is set to revisit this use once highway construction is complete.

Commissioner Olmstead made a motion to approve Case No. 16-07-SUP for a Specific Use Permit for Automotive Services proposed to be located on Euless Gardens, Block 3, Lot 1B at 316 N. Main Street recommend an Ordinance. Commissioner Brown seconded the motion. The vote was as follows:

Ayes: Chairman McNeese, Vice Chairman Portugal, and Commission Members: Owens, Olmstead, Dunckel, Ellis, and Brown.

Nays: None

Abstention: None

Chairman McNeese declared the motion carried. (7-0-0)
